ENTREPRENEURIAL EXPERIENCE

Washington Winnona Images

Founder, FAA Part 107 Certified Drone Pilot

York, Pennsylvania

December 2018 - Present

- Developed and created a media company to showcase talent expression in community and develop connection with the purpose of engaging individuals and groups throughout the world. Put simply, Washington Winnona Images provides an ever evolving online digital platform for linking like-minded individuals through the sharing of media. We are available for freelance photography, film-making and developing high quality inexpensive stock photography & video. For, as well as from creatives like us, we currently feature interviews, an online photo gallery, community short stories, video content, blogs and much more. Our goal is for you to see the world through our eyes and for you to show us yours!

Lyft

Driver

Los Angeles, California

May 2017 – December 2018

- Operated as an independent contractor, transporting hundreds of customers over thousands of miles in a major metropolitan city without a single accident or serious customer complaint - as well as maintaining an average rating of 4.9 out of 5 stars

Frank Mazzola & Associates

Employee Assistance Program, Independent Contractor

Los Angeles, California

June 2012 – December 2017

- Trained over 100 nurse practitioners, registered nurses, and administrative staff at Hollywood Presbyterian Medical Center on “Effective Management of Patients with Psychiatric Disorders”
- Trained the Neonatal Intensive Care Unit nurse practitioners and registered nurses at Providence Saint Joseph Medical Center on “Creative Ways to Resolve Differences” and “Change Management”
- Presented the benefits of employee assistance services to 75 aircraft maintenance employees at a health fair for United Parcel Services
- Provided City of Los Angeles managers and supervisors training on Trauma Resiliency following the 2013 Los Angeles International Airport shooting

Miles J Murdaugh, LLC

Founder, Trainer, and Consultant

Chicago, Illinois

April 2014 – February 2015

- Awarded a contract by the National Railroad Passenger Corporation (Amtrak) to develop and teach training modules for workplace peer prevention of drug and alcohol misuse. Created a training manual, role play exercises, tests and evaluations. Over 30 employees attended the 3-day training and gained skills and information on safety, peer counseling and communication.

National Railroad Passenger Corporation (Amtrak)

Employee Assistance Program, Independent Contractor, Employee Assistance Counselor

Los Angeles, California

August 2012 – October 2014

- Provided over 500 critical incident stress debriefings, outreach and symptom management for locomotive engineers, conductors and road foreman with subclinical cases following grade crossing accidents and trespasser fatalities
- Evaluated hundreds of employees performing safety-sensitive work who have violated company and/or federal drug and alcohol regulations. Provided assessment, short term counseling and referrals, and made recommendations concerning education, treatment, follow up testing and aftercare in the interest of public safety
- Provided training to management on reasonable suspicion testing and recognizing signs and symptoms of substance abuse in the workplace

Center for Family and Personal Development & Naval Air Warfare Center Weapons Division (NAVAIR)

Naval Air Weapons Station, China Lake
